HONORS THESIS PROCESS EXPECTATIONS:

The thesis advisor agrees to:

- work with the student to refine and focus the student's interests into a suitable thesis project
- provide, for each semester of thesis work, a clear expectation for the thesis/project, addressing benchmarks, length, assessment, and other aspects germane to scholarship in the particular discipline
- help the student identify appropriate thesis committee members
- help convene a meeting, no later than week 8 of the HON 498 semester with the full thesis committee to describe progress made and to address the expectations for the thesis
- be prepared to meet with the student regularly (at least biweekly, but we encourage weekly meetings) throughout the duration of the project
- inform the Dean of the Honors College if there appear to be indications that the thesis project is not on track for completion
- read and comment on drafts of the thesis as it develops
- chair the student's thesis & reading list defense and determine, with the thesis committee, the level of honors to be awarded
- grade the student for Honors 498 and Honors 499
- participate in the year-end Honors Celebration, if possible

The thesis student agrees to:

- turn in all thesis forms on time and completed to the Honors College office
- organize and schedule the thesis committee meeting no later than week 8 of the HON 498 semester with the full thesis committee to describe progress made and to address the expectations for the thesis
- attend and be prepared for regular (we encourage weekly) meetings with her/his advisor – if a meeting must be cancelled, provide plenty of notice
- secure, with the advisor's assistance, any necessary special approval for the research
- keep all committee members informed as to the progress of the thesis project
- inform the Dean of the Honors College if there are concerns with the process or indications that the thesis project is not on track for completion
- participate in CUGR Showcase if possible
- attend the Honors Celebration
